

Proven Winners

Over the last 22 years, Amber's House of Dance has had hundreds of students who have participated on their middle school and/or high school dance teams. In addition, many have gone on to dance on their college dance teams at:

UNC-Chapel Hill, UNC-Charlotte, UNC-Greensboro, UNC-Pembroke, UNC-Wilmington, Appalachian State University, East Carolina University, Elon University, Western Carolina University, Wofford College, Mars Hill University, NC State University, High Point University, Hampton University, as well as Carolina Panthers and Atlanta Falcons

AHOD students have received dance scholarships, trained in New York, studied at the NC School of the Arts, majored or minored in dance, participated in the Disney College Program and performed throughout the United States with a Texas base program. Many go on to teaching studio dance as well as, coaching middle school and high school dance teams.

Whether your dancer is interested in enrolling in one class per week or participating on the national award-winning competition teams, the studio's staff strives to provide the benefits of a quality dance experience to all students, no matter

how they plan to use it. Developing beautiful minds and bodies is an utmost concern as they seek to educate students in their love of dance.

Why not start your dancer at an early age and let AHOD provide the skills they will need to excel in wherever their journey takes them. Stars are made at AHOD!

AHOD provides summer programs and a 32-week lesson plan beginning in September and ending in mid-May. For more information, please contract the studio at:

About the Studio

Amber's House of Dance was established in the fall of 1999 by Amber Swangin McKirgan. Since that time, Ms. Amber and her fellow instructors have passed on their passion for dance to students throughout the community.

The studio staff strives to provide the benefits of a quality dance experience to all students, no matter how they plan to use it. Developing beautiful minds and bodies is an utmost concern as they seek to educate students in their love of dance.

Our 32-week Fall Program (beginning mid-September through May) gives instruction to children age three through high school.

Programs for Ages Three Thru First Grade

Baby Cakes I (45 minutes/week)

A creative movement program for three year old children that will focus on developing motor skills. An educational, but fun experience guides young dancers to reach their full potential. Basic beginner ballet movements are used along with promoting proper listening skills. Students are taught the importance of working with and supporting their classmates; many times developing long lasting relationships. (Dancers must be three by 8/31)

Baby Cakes II (one hour/week)

An advancement of the above class for four year old children. This creative dance experience guides young dancers as they prepare to enter the world of dance. (Must be four by 8/31)

Tap/Ballet Combo I (one hour/week)

Each week Kindergarten students are given instruction in basic tap and ballet. Proper technique is essential at AHOD and is stressed as they begin this program.

Tap/Ballet Combo II (one hour 15 minutes/week) Whether a beginner or continuing from prior dance classes, this weekly first grade program helps to provide a solid foundation before the student enters the second grade. During these early aged classes, instructors emphasize proper technique, terminology and basic body placement as they pass on their love of dance to little ones.

Second Grade and Up

Beginning in the second grade, students are moved into one hour per week classes for each genre taken. Proper teaching with emphasis on technique is provided for all classes. The below schedule indicates the classes offered for each grade level. Students may choose to take one or more of these. Technique classes are always encouraged.

2nd Grade

Ballet, Tap, Jazz, Acro*, Cheer*, Technique*

3rd Grade

Ballet, Tap, Jazz, Clogging, Hip Hop, Acro*, Cheer*, Technique*

4th Grade & Up

Ballet, Tap, Jazz, Clogging, Hip Hop, Contemporary, Lyrical Acro*, Cheer*, Technique*

* Cheer, Acro/Gymnastics and Technique are non-performing at end of year recital.
